Helping the community promotes active citizenship

Ár Sprioc, Ár nGeallúint

Is iad na daltaí ón scoil seo na daoine is fearr chun léirmheas cheart a dhéanamh ar ár scoilse. I mbliana, agus an 6ú bliain ag imeacht scríobhadar an méid seo chugam:

“Ba mhaith linn ár mbuíochas a ghabháil leat as ucht na tacaíochta ar fad thar na blianta. Bhí atmaisféar iontach sa scoil i gcónaí agus is áit sabháilte í i gcomhair gach aon dalta. Tá sé soiléir gur scoil iontach í agus faoi do stiúr d’fhásamar ar fad mar dhaoine. Beimid an-bhrónach ag fágaint ach beidh na cuimhní linn go deo. Go raibh míle maith agat as ucht gach aon rud agus guímid gach rath ort agus ar an scoil sa todhchaí”

Nuair a fhaigheann tú aiseolas mar seo ó na daltaí cuireann sé in iúl na luachanna atá bainte amach againn sa scoil mar phobal. Tugann sé dushlán dúinn freisin chun a chinntiú go sroichfimid an chaighdeán sin i gcónaí do gach uile dalta a thagann isteach tré geata na scoile. Barr Feabhais tré Oideachas, Barr Feabhais tré Ghaeilge- ár sprioc is ár ngeallúint.

Má roghnaíonn tú Coláiste Daibhéid bí deimhin de go bhfaighfidh tú taithí eisceachtúil dod’ pháiste. Idir fhoghlaím is spórt, chaidreamh is ceol, díospóireacht is drámaíocht- tá sé ar fad againn. Tá an t-eolas ar fad ar an suíomh scoile www.colaistedaibheid.ie. Déan an rogha cheart agus bí linn.

Our students are the best ambassadors for our school and give the greatest insight into the school values. This year the sixth year students wrote the following prior to their departure:

‘We would like to thank you for the support you have given us over the years. The atmosphere in the school was always brilliant, and it is a safe place for every student. It is clear that it is an excellent school and under your direction we all grew as people. We are sad to be leaving but we will have our memories always. Thank you for everything and we wish you and the school the best for the future’

When you receive feedback like this from the students it highlights for everyone the values that have been developed by us as a school community. It is also a challenge for us to ensure that we continue to reach the high standards that we set, not for one or two individuals, but for all the students who pass through our gates. Excellence through Education, Potential through Irish: Our aim and our promise.

If you choose Coláiste Daibhéid you can be certain that your child will receive an exceptional experience. From learning to sport, from friendships to music, from debating to drama- we have it all. You can view all our activities and information, as well as testimonials from past-pupils, on www.colaistedaibheid.ie. Therefore make the right choice- Choose Coláiste Daibhéid

Make the right choice. Join us. Bí Linn.

Do I have to attend a Gaelscoil to go to Coláiste Daibhéid?

The simple answer to this is no. Every year a growing percentage of students from non-Irish speaking primary schools decide to continue their second-level education through Irish. Our experience is that after the first few weeks of getting used to the spoken Irish there are few difficulties. Indeed by the end of first year it is difficult to say who came from a Gaelscoil and who didn't. We find that students who come to us from National Schools have a very good standard of written Irish. We also put in place support for students at the end of sixth class, and during their time in Coláiste Daibhéid all students are supported.

Taking Care of your child in First Year - We do more!

1. All students and parents/guardians have an individual meeting with the Principal in April of the previous year.
2. Induction day in the school during the school day prior to the end of sixth class. It allows the students to meet the other students but also to see the school in full flow.
3. Meitheal/Buddy System- each first year will have a senior buddy.
4. Pastoral Care: Class teacher, Folláin, Leas an Dalta, Ceardlann Staidéar, Specific First Year Only activities, small classes, student lockers in the classroom.
5. Base-class: The teachers come to the students thus reducing student movement.
6. Separate Junior and Senior toilets. Also first year students in first term will begin the break five minutes earlier.
7. Healthy food: Fruit and brown bread provided to all first year students before school begins.
8. All students get 9 weeks of taster subjects before choosing their options including their foreign language.
9. Two parent teacher meetings in First Year. A general Parent Information session at the start of October- an opportunity to touch base with the school and to meet other parents.

You always encouraged me to do my best and I am so thankful to you for that

Spreag tú mé gach rud a fhoghlaim i gceart ón tús agus níl an méid sin brú orm anois

You encouraged my interest in the subject from when I came in to you in First Year.

'Some of the sixth year comments in 2021'

You encouraged me to learn things correctly from the start and it reduced the pressure later on
